What did you buy?  
Что ты купил?

If you're a guy, say:  
I bought a souvenir.  
Я купил сувенир.

How would a girl say that?  
Я купила сувенир.

Say: Dad bought a car.  
Папа купил машину.

Say: Mom bought a cat.  
Мама купила кошку.

Ask your friend's grandmother politely:  
And what did you buy?  
А что Вы купили?

Using that construction we learned in the last podcast, try saying:  
Mom said that she bought milk.  
Мама сказала что она купила молоко.

Dad said that he bought beer.  
Папа сказал что он купил пиво.

Say:  
Svetlana bought an apartment in the city center.  
Светлана купила квартиру в центре.

We were in the center.  
Мы были в центре.

Try saying:  
We were in Las Vegas.  
Мы были в Лас Вегасе.

Say:  
We were in the store.  
Мы были в магазине.

Ask your friends:  
Where were you?  
Где Вы были?

We bought souvenirs.  
Мы купили сувениры.

Say: We were in the park.  
Мы были в парке.

We were in the office.  
Мы были в офисе.

We wanted coffee.  
Мы хотели кофе.

Where do you guys live?  
Где Вы живёте?

Listen to our reply:  
We live in New York.  
Мы живём в Нью Йорке.

Say this part again.  
We live...  
Мы живём

Imagine the waitress comes and asks you...  
What do you want?  
Что Вы хотите?

Here's how we'd say:  
We want pizza.  
Мы хотим пиццу.

Say just this part again:  
We want  
Мы хотим

Your friend asks the both of you:  
Where do you guys work?  
Где Вы работаете?

We work in the company Cisco.  
Мы работаем в компании Сиско.

Again, say just this part...  
We work  
Мы работаем

Say..  
We live in London.

Мы живём в Лондоне.

We work downtown.

Мы работаем в центре.

We want pizza and beer, please.

Мы хотим пиццу и пиво, пожалуйста.

Say..

We live in Michigan.

Мы живём в Мичигане.

We work in the company Sony.

Мы работаем в компании Сони.

We don't want pig fat..

Мы не хотим сало.

How might you say:

We speak English.

Мы говорим по-английски.

Try saying, We don't speak Spanish.

Мы не говорим по-испански.

How about:

We were speaking with Vlad.

Мы говорили с Владом.

Say: We bought an apartment in Kiev.

Мы купили квартиру в Киеве.

Try saying: We were in Moscow and in St. Petersburg.

Мы были в Москве и в Санкт-Петербурге.

Where's the metro?

Где метро?

I don't know.

Я не знаю.

Ask your friend:

You don't know?  
Ты не знаешь?

You wouldn't happen to know where there is a bank?  
Again, literally: You don't know where there is a bank?  
Вы не знаете где есть банк?

So again, ask a stranger on the street:  
You wouldn't happen to know where the subway is?  
Literally: You don't know where is the metro?  
Вы не знаете где метро?

Let's use this construction to politely ask our friend:  
You wouldn't happen to know where my pen is?  
Ты не знаешь где моя ручка?

How do you think you might say:  
John knows.  
Джон знает.

And finally, how might you say:  
We don't know.  
Мы не знаем.

Alright, that's it for today. Again, remember today's tip: Create your own back and forth dialogue, running through as many verb forms as you can. Keep up the great work and I'll see you next time!
